"Heads, Shoulders, Knees and Toes" -

exploring aspects of being the Body of Christ

JUNE TEACHING PROGRAMME

Introduction

....TO THE MORNING STUDIES:

"HEADS, SHOULDERS, KNEES AND TOES"?

These are just labels to help us explore different aspects of the call on our lives to be The Body of Christ in the World. Some important themes have reappeared at different times in the teaching of the last few months. This month has a strong 'Mission' feel as we explore

- ❖ Do we submit ourselves to what God calls us to do for Him?
- ❖ Gifts of the Holy Spirit given to serve God in the World
- ❖ Praying into situations. Praying faithfully. Praying expecting God to act
- ❖ The Church is called to be the "Body of Christ". Individually and as a Fellowship, do we have a Mission-heart to "Go"?

Home Groups

This month home groups will be meeting three times on weeks commencing the 30th, 6th, and 20th. The fourth week is our worship evening on Wed 23rd – as a Church, we aim to be a worshipping people – this evening meeting draws us together in worship and prayer.

All three week's studies have a reference to [Matthew 28:16-20](#). How can we make disciples and change the World as Christ commands?

WEEK 1

Some people are gifted to do some things. Others are set aside within our church to have specific roles. Are we to be involved in everything, or are we called to trust others in specific areas? How can our attitude to those in authority best achieve unity?

- [Ephesians 4: 1-7, 11-13](#)

WEEK2

What are you called to do/be for God? Have you got the Holy Spirit gifts to do this? Can we share with each other times when we know we were out of our depth but we were able to serve God?

- [1 Corinthians 12:8-13](#)

WEEK3

Can the Lord's Prayer give us a 'framework for our prayer-life? Use the prayer Jesus taught us in sections to pray worshipfully, for the transformation of the World, for ourselves, for our sins. Does this help us to 'Go into the world' expecting God's kingdom, power and glory to be evident?

- [Matthew 6 : 9-13](#)
