HOUSE GROUPS

God himself exists in perfect community in the three persons of the Trinity – Father, Son, and Holy Spirit – and this is how it was from the beginning. So, it is not surprising that God created us to be in community with each other too.

Here at BBC being part of a home group is the best way to get to know people and feel part of our fellowship. We're following the model of the early church where large, congregational meetings in the temple courts were balanced with small group meetings in people's homes.

There are two of these that you can decide to join at present, though please ask for up to date info in case of changes.
